Chapter 1

It has been almost twenty years since Tom had that last encounter with Ginger at her apartment in Pittsburgh where on seeing red over the book had savagely beaten her and raped her but unknown to Tom and Ginger as he attacked her Ginger was pregnant with his baby then 2 years ago out of the blue he found out he was a dad after his daughter approached him after she had found a reprint of her mums book but this copy only had 49 men in it but later she got a full copy and in this copy and she found out that the last man was her father and is called

only Tom.

He finally came face to face with Shaza his daughter who did not blame him for her and her mums life. Today Shaza heads to her dads apartment for the first time after speaking to him a few times on the phone and email.

Tom opens the door and finds his daughter is a spitting image of the female on the ferry that faithful morning.

Tom let's her come in and they sit down to drink coffee and it is here that Shaza tells him 'Dad the original reason I reached out two years ago was I wanted you to help me keep mum off the

drugs. Ginger always blamed her self for you attacking and raping her. Mum also long before you found out about the book told her publishers she was pulling the last chapter and they told her she publishes it or they start legal proceeding's against her to recover her advances and breach of contract. Dad when she told them that the 50th male had raped and assaulted they told her it was not their responsibility she wrote the book so she as to live with it. Mum still to this day regretted not standing up to her publishers and pulling the last chapter and that is why she called it her big mistake not because of you dad it was

because of those bastards. After her affair with you and when Mum republished the book with her original publishers a few years after doing rewrites she got her way and only published the original 49 chapters and left yours off. After the book was republished she terminated her book contract with the publishers and said she would not write again. She always wondered what happened to you.

Dad She follows you online under my name as she was afraid if you found out you would have band her. She would tell me every night that my dad was a good man and deserved better

than her but she still loves you. She got married twice, the first bastard beat the shit out of her when he found her book and he was in it. Her second husband also one of her other 49 lovers got her onto drugs and forced her in to sex work. Ginger tried to take her life when I was 14 years old on the ferry after a bad night looking for clients so my gran took me in and brought me up but I kept in contact with mum while she was in rehab but one night her second husband came took her out and soon had her working the streets again. Then one day she was taken to the ER after being attacked by some male she picked up so me

and her mum took her home cleaned her up made her divorce him and now she has been clean for 5 years and she says it was because of me and the slight dream of being able to just see my dad again and reunite with you and say sorry. Dad by the way she told the police the person who attacked you was hired by one of her other 49!

Shaza now tears in her eyes adds 'She has always wanted to find you and when she found out I wanted to she made sure that I had all the help from a old friend of hers!'

Tom put his arms around his daughter and says some thing he

thought he would never say 'Thank you but your mum did not deserve what I did to her she would have been right to have me banged up for what I did and by the way I always regretted it my self even thought of ending it all!'

Tom was glad he did not as now he has a grown up daughter and he would get a chance to reunite with her mother Ginger.

'OK I would love to reconnect with the only woman I really fell in love with Shaza!'

So after packing he walked with his daughter down to her car.

Chapter 2

When they get to Shaza's car Shaza had a surprise for him unknown to Ginger had come with her and was waiting by the car nervous wearing the same coat she had worn on that day. 'Dad don't worry mum has clothes on under the coat but I can not guarantee she has underwear on!'

Has Ginger walks over to him, Tom can see what the drug abuse had done to the hot blond bombshell from the ferry 20 years ago. It had made her thin and her arms had scars from needle marks.

Tom on seeing Ginger almost made him afraid to embrace Ginger in case he broke her. Ginger grinned having gone over in her head what she was going to say to him but having walked up to him she forgot every thing she was going to say and put her arms around his neck kissed him and remarked '\$50 will get you a blow job with a condom down a alley Tom!' 'Mum dad is not a client you just picked up off the street he is your daughters dad for Christ sake behave!' Shaza on hearing her mum remarks hands on her waist trying to act like the parent.

'Sorry a force of habit when I was with males!' Ginger replied
has she walked down with Tom to their waiting daughter by the
car.

'Shaza meet us at the other side of the ferry has me and your
dad have 20 years to catch up on and take his bag as well!'

Ginger remarked has their daughter jumped in to the car and
headed off to the ferry terminal on the other side of the river to
collect them.

'Oh Ginger I have missed you. After I married Sue I found out
that she was fucking her personal trainer, her boss, and half the

companies males who were not gay just to get up in her work but not at the same time and she was also fucking the Gardner of my Florida summer home. The way she acted made you look like a saint. She also found your original book, and the bitch took it to her book club and talked about how you was such a tart and deserved the ending you got and how I was suck a cuckold husband. So I filed for divorce kept the Florida home chucked her out and the last I heard she was living in New Orleans with a nude male dancer after she was sacked and also danced nude for money at the same club. I moved back

here and many times on the ferry across I would still go to the
spot where I had seen you that morning we met when you lifted
my wallet has we fucked!

Chapter 3

They walk to the ferry get on and head up to the side where they had first met and Ginger remarks 'Like you Tom I would come here hoping to catch just a glimpse of you, when I was expecting our daughter I even considered throwing my self off the boat when I was having the shit kicked out of me by my first husband. When my 2nd husband pimped me out on the street to feed his own drug habit I even considered jumping in front of a train but I never did and I am now glad I never did!'

'Ginger I am glad has well. I always regretted raping and attacking you that's was one reason I would hope to see you again to say sorry!' Tom replied has they both leaned against the rail Ginger's hand soon seeking out Tom's hand.

They then kiss and with a grin Ginger remarked 'Why don't we go in to the dead end passage way and see if we can recreate the first time we met?'

'MMM we could but there is one slight problem you have clothes on but when we get to the house you can drag me to bed and ravish my body like you used to Ginger then show me

around the house and I can move into one of the spare bedroom to start or even the sofa!' Tom replied before their lips came together for a gentle kiss.

Tom's hand soon finding its way up the bottom of Ginger's coat and skirt to her pussy.

'Yes his daughter was right Ginger her mum did not have panties on!' he said to him self

Ginger just let Tom explore as she had not had a man do this in ages thrust his hand up her skirt and not grab her pussy but just explore.

Chapter 4

After the ferry had docked they walked off to find Shaza waiting for them leaning back against the car.

'Dad I thought mum would have had your clothes off by know!'

Shaza said with a grin as Tom gets in to the back Ginger joining him. Soon Shaza is driving them to the house in the outer suburbs where Ginger lives with her daughter.

They arrive at a large electronic gate that protects the house Shaza pushes a button, the gate opens and they drive up the long gravel drive, and what felt like ages they stop outside the house.

Ginger looks at Tom grins 'Shaza there is no need to set up one of the guest bedrooms has your mum and dad have decided we will share my bed naked in the nights!' Ginger remarked.

'Have you dad that is fast even for you?'

'Have I Ginger?' Tom remarks with a pretend look of shock thinking to him self that is the Ginger I remembered.

'Well Tom how am I going to get my lipstick on your dip stick if your sleeping in another room or on the sofa?' Ginger replied

'Mum behave your not a hi class hooker any more working a convention or one of the big hotels!' Shaza replied has Tom

grinned then whispered 'Or a cheap hooker looking for a quick fuck up against the side of some alley!' Both Tom and Ginger laughed confusing Shaza.

All three then went in to the large house once inside Ginger grabbing his sports bag drags Tom up the stairs stopping at the large landing and saying 'Shaza your mum and dad might be some time in our bedroom has we are going to test the springs and see if we can recreate how we conceived you!'

'TMI mum TM Fucking I!' Shaza Replies then walks off tutting to her self, Ginger just laughs then remarks 'Tom it will be nice to

have you in my bed and your cock inside my body again!'

In reply all Tom did was kiss Ginger on her lips then say 'Show me our bed Ginger has I am getting very horny and I promised to let you promised drag me to bed and ravish my body!'

Ginger grins then led him in to a room with a king sized bed that was just made for fucking in.

'A bit bigger than my old apartment bed and the couch we used to fuck on wouldn't you say Tom?' Ginger remarked.

Tom just grins as they both start to strip.

Ginger and Tom mount the bed kissing and fondling each other

Tom rubbing Gingers now neatly trimmed hairy pussy and her firm tits Ginger rubbing Tom's cock, soon they are in a 69 on the bed Ginger sucking on Tom's member while he in turn licked Gingers cunt.

'Christ Ginger its getting hot in here!' Tom remarked

'Yes it is love!' Ginger replied has they brake from fucking and

Ginger gets down off the bed and opens the large French doors out on to the large balcony.

'Come on Tom we can finish our fuck on the balcony!' Ginger

remarked with a grin he had first seen on the morning of their first meeting on the ferry.

Tom follows Ginger out on to the balcony and after bending her over the ledge they continue to fuck then just as Ginger is about to climax again a voice shouts up from the garden 'For Christ sake mum take it back in to your bedroom with dad!'

'Ginger that is all in the past and any way while I was screwing you the week end of my suit fitting the fucking bitch was screwing her bosses brains out in a expensive New York hotel room!' Tom replied then added 'Maybe I should have married

you instead but at least we are now together again because of our daughter!’

‘Yes we are Tom!’ Ginger replied before giving him a kiss.

Ginger replied and then she realises what she had just said.

But she then heard a laugh from Tom before he replied 'Fuck I must have been good back then Ginger if I am better than those

football jocks, rock stars, military officers and movie actors you fucked in your book!’

‘Well Tom they all thought they were fucking Gods gift to women and when they say they want to fuck I was supposed to go all week at the knees and jump in to bed with them but in reality out of you and them the only one I wanted to jump or drag in to bed and stay there all day was you because you were kind down to earth and a complete gentleman!’

‘What gentleman I smash your face in to a table, door, work tops, cupboards a few times then forcefully hold you face down

cut your panties in two then rape you at knife point and leave you in pain with a broken nose bleeding all over the table as I storm off that was no gentleman Ginger that was a woman beating monster!' Tom replied no pride in his voice has he was still ashamed of what he had done to Ginger.

'Well I had betrayed your kindness and I deserved it and any way I went through worst in my Two marriages. So forget it and get the fuck up and go and fetch Mistress Gingers fucking panties from the bottom of the our pool!' Ginger replied a grin

on her face has they got out of the hot tub Ginger smacking

Tom replies with a grin that it reminded him of the Ginger he knew from twenty years ago it meant a complement 'Well love if you removed the panties and blouse put on your black raincoat and put on a suspender belt with your stockings you would be dressed just like the day we met on the boat and I first fucked

you.

Ginger if it was a nude computation I would tell you to dress like the day we first met you flashing me your naked body and you should win but has it is a miss wet t-shirt you should dress like this for tonight love!

Ginger laughs just like the day when they had left the boat after their fuck but unlike today back then she had different motives, Ginger kisses Tom and heads in but after changing returns to him out on to the balcony in that very same black rain coat belted around her waist that she opens has she goes to stand

in front of him then held it open so that she is flashing her breasts, and shave pussy and is only wearing her red heels and stocking held in place by a very sexy suspenders belt. Ginger then grins.

‘Next week the strip club is hosting the Pittsburgh round of miss nude USA the winner automatically goes forward to Miss Nude USA in Miami Florida can I enter or do you forbid me From it?’

Ginger asked a mix of fear and hoping.

‘Ginger I love the idea of you entering tonight’s miss wet t-shirt and next weeks heat for Miss Nude USA all those men having

to go and jack off but I get to fuck the real thing win or lose I
don't fucking care!

'I feel the same performing for all those men who after I perform
are heading to the men's bathroom to jerk off and me and you
coming home then fucking our brains out!'

They head out to dinner leaving her bag at the club in a private room that Ginger used to entertain her clients while pole or lap dancing. Tom is dressed in a black trousers, white short sleeved shirt black tie, jacket and shoes but unlike Ginger he had underwear on it might have belonged to Ginger just like all those years ago she

had made him wear ladies underwear to go to dinner all those years ago.

Chapter 39

They have a three course dinner that Ginger pays for then head to the strip club where they watch some performers dancing on a pole before Ginger goes to get ready for the miss wet t-shirt round. Ginger is the fourth lady up and once she had a bucket of water thrown over her blouse to reveal her breasts she started to dance even using the pole after removing her top and even going one step further unlike the previous contestants Ginger now receiving whistles and chants for her to strip off her panties even Tom was joining in with the males chanting 'get

those panties off!' as Ginger strips off her g-string panties she twangs them at Tom hitting him in the face.

Chapter 40

By the end of the nights computation both the judges and the audience all agreed Ginger was the winner with her stripping performance so she heads back to her private room Tom following her over but has to wait outside as she has a surprise in two parts. Ginger walks out wearing the same raincoat she had worn when he had first met her, and holding the sports bag, They go outside the club and Ginger then drags him in to a nearby alley stands with her back to the club. Ginger then grabs Tom's hand and places it inside her coat on her bare skin.

'Ginger where are your clothes?' Tom asks.

'In the bag your now holding Tom!' Ginger replied with a grin then added 'We do not need to head home yet has the second part of your surprise is yet to come I used to hire a room at a local motel that hired by the hour. So why don't we play out your cheap hooker fantasy from 20 years ago again!'

Tom kissed Ginger slipping a finger in to her pussy making her gasp and they head to the cheap sleazy motel where Ginger pays the man behind the meshed screened desk and they head up to the top floor.

Chapter 41

This time Ginger was not doing it to feed her second husbands drug habit or hers but this time it was for the love of this male. Once in the lift Ginger Facing Tom opened her coat revealing all she wore were fresh black fishnets, and a black suspender belt, a black garter belt around her left thigh and her red heels.

‘See my love I told you I had no fucking clothes on so are you just going to stand there or are you going to fuck me in this sleazy motel lift?’ Ginger remarked as she noticed the bulge

start to form in his trousers.

In reply Tom made it clear the lift will do for starters by opening his fly freeing his cock so that it stood out of his trousers to full attention. Tom then went up to Ginger and started to fuck her soon he was pumping away Ginger bringing a fishnet clad leg up to his waist height that he held jut like twenty years ago on the boat.

'Well I realised how much I had hurt you Tom!'

'Well Ginger why not get back on the writing horse by writing a new book about our new fuck adventures!' Tom remarked.

'Are you sure Tom?' Ginger asked.

'Yes I am plus this time you only have one lover to write about!'

'OK Tom I will and I will call it Tom The 50th lover the true love

of my life!

Then Ginger got up took Tom' cloths in to the bathroom and put them on leaving Tom to put on her damp stocking's but not the panties, then the dinner dress from the sports bag plus Ginger's heels for the walk back to the house. Ginger kissing Tom and remarking 'You always look so hot in my dresses and stockings Tom!'

Chapter 44

They grab the sports bag and leave, just like Ginger had done when she wore the dress to dinner he was not wearing underwear underneath only Ginger's damp stockings, suspenders and she had also put fresh lipstick on their lips. In Ginger's case it was just in case she needed to stop for her to put some lip stick on Tom's meaty dip stick.

But in the end they just walked home and when Ginger and Tom arrive back at the house they walk in put down the sports bag in the hall, check the phone for messages there is only one

from Shaza their daughter They listen to the message telling
her mom not to lead Tom astray at the strip club tonight and
don't be to late to bed and don't keep dad out all night.

Chapter 45

Ginger and Tom laugh then she drags Tom still wearing her dress but without of her heels to the pool then pushes him in before Ginger still dressed in Tom's dinner suit dived in after him minus her footwear. Ginger then strips in the pool until she is in only her fishnets, suspender belt and garter belt, Ginger then strips Tom so that he is down to the stockings, suspenders belt she had worn during the miss wet t-shirt computation that she had won by stripping off her panties while performing. Ginger gives Tom a kiss then submerges to give him a blow job

Ginger remarked before returning to suck his cock gagging and choking on Tom's member until he moaned arched his back then flooded her throat with his creamy cum. Tom was not the only one climaxing has well because once he was awake fully he started to finger Ginger's creamy skinned pussy with his middle finger and soon Ginger is not moaning or groaning but screaming loudly has she climaxed.

Chapter 47

After they had both made each other climax they lay on the bed getting their breath back Ginger's head on his chest his hand playing with her long flowing chestnut coloured hair. 'Are you sure about me doing a new book on us now and our fuck adventures together?' Ginger asks Tom.

'Yes let's show what really happened to you and your 50th lover how the lust turned to to love of a daughter and how we are now happy fucking each other!' Tom replied with a grin before adding 'Ginger what is for breakfast and do not fucking say your

Ginger then seam's to calm down then spins around and when their eyes meet she gives him a kiss and mouths a thank you.

'Yes fucking sit down breakfast is ready!' Ginger replied
slapping his hand away from her pussy.

Tom kisses her and replied The way you came in I thought you were going to throw my breakfast over me!

‘Why would a hot milf do that to you. So what is the idea of this new book!'

'Well Candace it is called my 50th and best lover.
